

Baldwin Estate vs Reserve Comparison

Estate Collection

The Estate collection features solid forged brass construction for superior durability and traditional styling. Estate models provide authentic period design with heirloom quality suitable for historic homes and upscale residences.

Reserve Collection

Reserve collection hardware utilizes zinc construction with high-quality finishes. Reserve models offer contemporary design and excellent value, suitable for modern residential and commercial applications.

Feature	Estate (Solid Brass)	Reserve (Zinc)	Winner
Material	Solid Forged Brass	Zinc Alloy	Estate
Design Style	Traditional/Period	Contemporary	Tie
Durability	Heirloom Quality	Standard	Estate
Price Point	Premium	Standard	Reserve
Weight	Heavier	Lighter	Estate

Specification Guidelines

Select Estate for luxury applications requiring maximum durability and traditional aesthetics. Choose Reserve for value-conscious projects emphasizing contemporary design and cost control.
